Team Faraday Ferrets First TA Meeting

Date and Time: January 21, 2024, 4:10 PM – 4:25 PM

Location: Online on Teams

Attendees: Christopher Eu, Kate Walley, and Bighnaraj Mishra-(TA)

Absent: Jillian Manguba, Vedant Pulahru, and Ty Brass

Agenda Items:

-Talked about our app

-Discussed the expectations the TA has for our web application

Discussion:

-Kate went over the basics of web application and the features it would include

-Bighnaraj went over the basic evaluation of the project, including having enough work and user stories to show the group put significant time into the project. Mentioned having possibly 30 user stories per epic/feature

-Christopher asked follow up questions about if our features were robust enough and Bighnaraj encouraged the group to evaluate if the features were enough to keep the team busy for 3 months

Action Items:

-Book another meeting with TA if group decides it's needed

-Evaluate as a group the quantity of work we currently have and if it's sufficient to have a robust web application

Next Meeting with TA:

February 4th 2024, 4:00 PM on Teams
